

Fill in the gaps

How you think I feel when you call my name
You got me confused by the way I change
How you think I feel when you call my name
My name, say my name baby
Yes I (1) you say
For the way I know
We've been apart
It's an endless circle of poison
Arrow to my heart
Saying I, I (2) what you do to me
Need you to stay with me
I, I love you too much to let go
How you think I feel when you call my name
You got me confused by the way I change
How you think I feel when you call my name
My name, say my name baby
How you think I feel when you call my name
You got me confused by the way I change
How you think I feel when you call my name
My name, say my name baby
It's a (3) thought of my baby taking up
my time

It's enough to (4)
Of you that's playing on my mind
(5) I, I love what you do to me
Need you to stay with me
I, I love you too (6) to let go
How you think I feel when you call my name
You got me confused by the way I change
How you think I feel (7) you call my name
My name, say my name baby
How you think I feel when you call my name
You got me confused by the way I change
How you (8) I feel when you (9) my
name
My name, say my name baby
When you call my name
When you call my name
Say my name baby
W hen you call my name
When you call my name
Say my name baby
