

## Fill in the gaps

There's snow on the mountain	The innocence I need
And fog in the street	Cold winter nights, cold winter dreams
Flickering candles in the room	Freezing the heat in my heart - it's my taste of freedom
Hear the church bell ring	Cold winter nights, cold winter dreams
See the children playing	Chill me and (10) me apart - cold
I feel their (1) delight	(11) dreams
And the snow is falling	The (12) so clear
Taking me away	Like a wonderful diamond
Cold winter nights, (2) winter dreams	Can't (14) there's meanness
Reflecting the sound of my heart - it's my taste of freedom	Can't imagine one lie
Cold (3) nights, (4)	But when I'm dead and gone
(5) dreams	And snow's pouring down
Don't try to (6) me (7) cold winter	I'm (15) and covered
dreams	Peaceful (16) (17) of stars
Find myself in peace	Cold winter nights, (18) winter dreams
Warm from underneath	Reflecting the (19) of my (20) it's
Wish you (8) be here	my taste of freedom
In this magic scene	Cold (21) nights, cold winter dreams
I've escaped from reality	Don't try to (22) me apart - cold winter dreams
Dancing in the snow	Cold (23) nights, (24) winter
Cold (9) sky gives me	(25)
