

Fill in the gaps

There's snow on the mountain	The innocence I need
And fog in the street	Cold winter nights, cold (6) dreams
Flickering candles in the room	Freezing the heat in my heart - it's my taste of freedom
Hear the (1) bell ring	Cold winter nights, cold (7) dreams
See the children playing	Chill me and tear me apart - cold winter dreams
I feel their pure delight	The world seems so clear
And the snow is falling	Like a wonderful diamond
Taking me away	Can't imagine there's meanness
Cold (2) nights, cold winter dreams	Can't (8) one lie
Reflecting the (3) of my heart - it's my taste of	But when I'm dead and gone
freedom	And snow's (9) down
Cold winter nights, (4) winter dreams	I'm buried and covered
Don't try to tear me apart - cold winter dreams	Peaceful under (10) of stars
Find myself in peace	Cold winter nights, cold winter dreams
Warm from underneath	Reflecting the sound of my heart - it's my taste of freedom
Wish you would be here	Cold winter nights, cold winter dreams
In (5) magic scene	Don't try to tear me apart - cold winter dreams
I've escaped from reality	Cold winter nights, cold winter dreams
Dancing in the snow	
Cold blue sky gives me
