

## Fill in the gaps

I saw the distance in (1) eyes	When love turns to pain
It didn't come as a surprise	Like there's nothing more to gain
But I've been wishing we can make it work	And (15) hope (16) seems to fade
And we (2) try	You (17) there is no way
I've never been good at good byes	When love turns to pain
I feel it's time to realize	No I don't (18) you anymore
Because I don't (3) your love	Forget the words I (19) before
No, I can do much better	It might not be OK
There's no (4) only rain	But it's over now
When (5) choice (6) out the same	It doesn't matter
There's no one else to blame	You don't know what's right or wrong
When love turns to pain	(20) of conscience you have none
Like there's nothing more to gain	Don't wanna hear no more
And every (7) just seems to fade	Because nothing you say (21) it better
You know (8) is no way	(22) love turns to pain
When love turns to pain	(23) love (24) to pain
Just one (9) and perfect smile	When love turns to pain
I (10) you out	There's no sunshine (25) rain
We took a ride	When every choice turns out the same
Since that day	There's no one else to blame
We've been going down	When love (26) to pain
And hit the ground	Like there's nothing more to gain
I never (11) you had a blame	And every hope (27) seems to fade
(12) there's no use asking why	You know there is no way
Because I don't need your love	When love turns to pain
I can do much better	When love turns to pain
There's no sunshine only rain	
(13) (14) choice turns out the same	
There's no one else to blame
