

Fill in the gaps

Distance by Christina Perri

The sun is filling up the room

And I can hear you dreaming

Do you feel the way I do, right now?

I wish we would just give up

Because the best part is falling

Calling anything but love

And I (1)_____ (2)_____ sure to keep my distance

Say I (3)_____ you when you're not listening

And how long can we keep this up, up, up?

Please don't stand so close to me

I'm (4)_____ trouble breathing

I'm (5)_____ of what you'll see, right now

I'll give you everything I am

All my (6)_____ heartbeats

Until I know you'll understand

And I will make sure to keep my distance

Say I (7)_____ you when you're not listening

And how long can we keep this up, up, up?

And I (8)_____ waiting

For you to (9)_____ me

And you keep waiting

To save what we have

So I'll make sure to (10)_____ my distance

Say I love you when you're not listening

And how long can we keep this up, up, up?

Make sure to keep my distance

Say I love you when you're not listening

How long till we call this love, love, love?
