

Northern lights by Cider Sky

Every time I close my eyes
I can touch the colors around me
Suddenly I realize
Everything I thought was impossible is here
And my heart sings in a world so incredible
And everything burns much brighter
I want to fly into this beautiful life
I (1)_____ it'd be (2)_____ with you
I want to fly into this beautiful life
I think it'd be nice with you,
With you, with you, with you
Fingertips, northern lights,
tracing colors right through the sky
Underneath a lullaby
I never felt as blissful as I do here
And my heart sings in a world so incredible
