Letters from the sky by Civil Twilight

One of these days the sky's gonna break	Hold me here, hold me here, hold me here
And everything will escape, and I'll know	These are only walls that hold me here
One of these days the mountains are gonna fall	One day soon I'll hold you like the sun holds the moo
Into the sea and they'll know	And we will (8) those planes overhead
That you and I were made for this	And we won't have to be scared
I was made to taste (1) kiss	Because we won't have to be
We were made to never (2) away	We won't have to be scared
Never fall away	You're coming (9) for me
One of these days (3) are gonna fall	You're coming back for me
From the sky telling us all to go free	(bis)
But (4) that day	You're coming back to me
I'll find a way to let everybody know	You're coming back to me
(5) you're coming back, you're coming back for me	(bis)
Because even though you left me here	You're coming back
I (6) nothing left to fear	
These are only walls (7) hold me here
