

Fill in the gaps

Is (1) secret safe tonight?
And are we out of sight?
Or will our world come tumbling down?
Will they find our hiding place?
Is this our last embrace?
Or will the (2) start caving in?
(It could be wrong, could be wrong)
But it should've been right
(It could be wrong, (3) be wrong)
Let our hearts ignite
(It could be wrong, could be wrong)
Are we digging a hole?
(It could be wrong, could be wrong)
This is outta control
(It could be wrong, (4) be wrong)
It could never last
(It (5) be wrong, could be wrong)
Must erase it fast
(It could be wrong, could be wrong)
But it could've been right
Dut it could be been fight
(It could be wrong, could be)
•
(It could be wrong, could be)
(It could be wrong, could be) Love is our resistance
(It could be wrong, could be) Love is our resistance They keep us apart and they won't stop breaking us down
(It could be wrong, could be) Love is our resistance They keep us apart and they won't stop breaking us down And hold me, our lips must always be sealed
(It could be wrong, could be) Love is our resistance They keep us apart and they won't stop breaking us down And hold me, our lips must always be sealed If we live our life in fear

You'll wake the thought police

We can hide the truth inside
(It could be wrong, could be wrong)
But it should've been right
(It could be wrong, (6) be wrong)
Let our (7) ignite
(It could be wrong, could be wrong)
Are we digging a hole?
(It could be wrong, (8) be wrong)
This is outta control
(It could be wrong, could be wrong)
It could never last
(It could be wrong, could be wrong)
Must erase it fast
(It could be wrong, could be wrong)
But it could've (9) right
(It could be wrong, could be)
Love is our resistance!
They keep us apart and won't stop breaking us down
And hold me, our lips must always be sealed
The night has reached its end
We can't pretend
We must run
We must run
It's time to run
Take us away from here
Protect us (10) further harm

- 1. your
- 2. walls
- 3. could
- 4. could
- 5. could
- 6. could
- 7. hearts
- 7. Hourt
- 8. could
- 9. been
