

Fill in the gaps

Is your secret safe tonight?	We can (16) the truth inside
And are we out of sight?	(It could be wrong, could be wrong)
Or will our world come tumbling down?	But it should've been right
Will (1) find our hiding place?	(It could be wrong, could be wrong)
Is (2) our last embrace?	Let our (17) ignite
Or (3) the walls start caving in?	(It could be wrong, could be wrong)
(It could be wrong, could be wrong)	Are we digging a hole?
But it should've (4) right	(lt (18) be wrong, (19) be wrong)
(It (5) be wrong, could be wrong)	This is outta control
Let our hearts ignite	(It could be wrong, could be wrong)
(It could be wrong, could be wrong)	It could never last
Are we digging a hole?	(It could be wrong, could be wrong)
(It (6) be wrong, could be wrong)	Must (20) it fast
This is outta control	(It could be wrong, could be wrong)
(It could be wrong, could be wrong)	But it could've been right
It could never last	(It could be wrong, could be)
(It could be wrong, (7) be wrong)	Love is our resistance!
Must erase it fast	They (21) us apart and won't (22)
(It could be wrong, could be wrong)	breaking us down
But it could've (8) right	And hold me, our (23) (24) always be
(It (9) be wrong, could be)	sealed
Love is our resistance	The (25) has reached its end
They keep us apart and (10) won't (11)	We can't pretend
breaking us down	We must run
And hold me, our (12) must always be sealed	We must run
If we (13) our life in fear	It's time to run
I'll wait a thousand years	Take us away from here
Just to see you smile again	Protect us from (26) harm
Quell (14) prayers for (15) and peace	Resistance!
You'll wake the thought police
