

## Fill in the gaps

Is your secret safe tonight?	We can hide the truth inside
And are we out of sight?	(It could be wrong, could be wrong)
Or will our world come tumbling down?	But it should've been right
Will they find our hiding place?	(lt (6) be wrong, could be wrong)
Is this our (1) embrace?	Let our hearts ignite
Or will the walls start caving in?	(It could be wrong, could be wrong)
(It could be wrong, could be wrong)	Are we digging a hole?
But it should've been right	(It could be wrong, could be wrong)
(It could be wrong, could be wrong)	This is (7) control
Let our hearts ignite	(It could be wrong, could be wrong)
(It could be wrong, could be wrong)	It could never last
Are we digging a hole?	(It could be wrong, could be wrong)
(It could be wrong, (2) be wrong)	Must erase it fast
This is outta control	(It could be wrong, (8) be wrong)
(It could be wrong, could be wrong)	But it could've been right
It could never last	(It could be wrong, could be)
(It could be wrong, could be wrong)	Love is our resistance!
Must erase it fast	They keep us apart and won't stop breaking us down
(It could be wrong, (3) be wrong)	And hold me, our lips must (9) be sealed
But it could've been right	The night has reached its end
(It could be wrong, could be)	We can't pretend
Love is our resistance	We must run
They (4) us (5) and they won't st	op We must run
breaking us down	It's time to run
And hold me, our lips must always be sealed	Take us away from here
If we live our life in fear	Protect us from further harm
I'll wait a thousand years	Resistance!
Just to see you smile again	
Quell your prayers for love and peace	
You'll wake the thought police
