

Here we are with our backs against the wall

## Fill in the gaps

We've got big city dreams			
But we don't move from the asphalt			
We run away (1) our own imagination			
But at the same time we got this amazing fascination			
We've got hopes on the horizon			
We can't stop climbing the mountain			
We're sick and (2) of keeping silent			
We are, we are,			
We are gonna come together			
We are gonna come together, now			
We are gonna run together			
We're (3) turn it upside down			
Because with the smoke in the mirror			
I can't see your face			
So let's run to the fire escape			
Come together			
We are gonna come together, now			
Who are they?			
With their so-called innovations			
They hold on like they've found			
Their own salvation			
They shy away from the slightest alteration			
But at the same time we got the same fascination			
We've got (4) on the horizon			
We can't stop from climbing the mountain			
We're sick and tired of keeping silent			

We are, we are, we are,			
We are gonna come together			
We are gonna (5)	together, n	ow	
We are (6)	run together		
We're gonna turn it upside down			
Because with the smoke in the mirror			
I can't see your face			
So let's run to the fire escape			
Come together			
We are (7)	come together,	now	
Just let go, it's a free fall			
We're almost home, it's a	a (8)	fall	
We are gonna come together			
We are gonna come together, now			
We are gonna run together			
We're gonna turn it upside down			
We are gonna (9)	together		
We are gonna come together, now			
We are gonna run together			
We're gonna turn it (10)		down	
Because with the smoke in the mirror			
I can't see your face			
So let's run to the fire escape			
Come together			
We are gonna come together, now
