# Come together by Echosmith

### Fill in the gaps

Here we are with our backs against the wall	We are, we are,
We've got big city dreams	We are (13) come together
But we don't (1) (2) the asphalt	We are gonna come together, now
We run away (3) our own imagination	We are gonna run together
But at the (4) time we got this amazing fascination	We're gonna turn it upside down
We've got hopes on the horizon	Because with the smoke in the mirror
We can't stop climbing the mountain	I can't see (14) face
We're (5) and tired of keeping silent	So let's run to the fire escape
We are, we are,	(15) together
We are gonna come together	We are gonna come together, now
We are (6) come together, now	Just let go, it's a free fall
We are (7) run together	We're almost home, it's a free fall
We're gonna turn it upside down	We are (16) come together
Because with the smoke in the mirror	We are gonna (17) together, now
I can't see your face	We are gonna run together
So let's run to the fire escape	We're (18) turn it (19) down
Come together	We are gonna come together
We are gonna come together, now	We are gonna come together, now
Who are they?	We are gonna run together
With their so-called innovations	We're gonna turn it (20) down
(8) (9) on (10) they've	Because (21) the smoke in the mirror
ound	I can't see (22) face
Their own salvation	So let's run to the (23) escape
(11) shy away from the slightest alteration	(24) together
But at the same time we got the same fascination	We are gonna come together, now
We've got hopes on the horizon	
We can't stop from climbing the mountain	
We're sick and (12) of keeping silent
