Come together by Echosmith

Here we are with our backs against the wall
We've got big city dreams
But we don't move from the asphalt
We run away from our own imagination
But at the same time we got this amazing fascination
We've got hopes on the horizon
We can't (1)_____ (2)_____ the
mountain
We're (3)_____ and tired of keeping silent
We are, we are, we are,
We are gonna come together
We are gonna come together, now
We are gonna run together
We're gonna (4)_____ it upside down
Because with the smoke in the mirror
I can't see your face
So let's run to the fire escape
Come together
We are gonna come together, now
Who are they?
With their so-called innovations
They hold on like they've found
Their own salvation
They shy away from the slightest alteration
But at the same time we got the (5)_____ fascination
We've got hopes on the horizon
We can't stop from climbing the mountain
We're (6)_____ and tired of keeping silent

We are, we are, we are,
We are gonna come together
We are gonna come together, now
We are gonna run together
We're gonna turn it upside down
Because with the smoke in the mirror
I can't see your face
So let's run to the fire escape
Come together
We are gonna come together, now
Just let go, it's a free fall
We're almost home, it's a (7)_____ fall
We are gonna come together
We are gonna come together, now
We are gonna run together
We're gonna turn it upside down
We are gonna come together
We are (8)_____ come together, now
We are gonna run together
We're gonna turn it (9)_____ down
Because with the smoke in the mirror
I can't see your face
So let's run to the fire escape
Come together
We are gonna come together, now
