

Fill in the gaps

You're just a small bump unborn	And I hold you tightly
In four months you're brought to life	I'll tell you nothing but truth
Might be left with my hair	If you're not inside me
But you'll have (1) mother's eyes	I'll put my future in you
I'll hold your (2) in my hands	You are my one, and only
I'll be as gentle as I can	And you can wrap your fingers around my (6)
But for now you scan on my unmade plans	And hold me tight
Small bump in four (3) you're brought to life	You'll be alright
And I whisper quietly	And you can lie with me
I'll give you nothing but truth	With your (7) feet when you're half asleep
If you're not inside me	But if you be right in front of me for a couple weeks
I'll put my future in you	So I can keep you safe
You are my one, and only	Because you are my one, and only
You can wrap your fingers around my thumb	And you can wrap your (8) around my
And hold me tight	thumb
You are my one, and only	And hold me tight
You can wrap your fingers around my thumb	You are my one, and only
And hold me tight	And you can wrap your fingers (9) my thumb
You'll be alright	And hold me tight
You're just a small bump unknown	You'll be alright
You grow into your skin	Because you're just a small bump unborn
With a smile (4) hers	But four months (10) torn from life
And a dimple beneath your chin	Maybe you were needed up there
Finger nails the size of a half grain of rice	But were still unaware as why
And eyelids closed to be soon opened wide	
Small bump in four months you'll open (5) eyes
