

Fill in the gaps

You're just a small bump unborn	And I hold you tightly
In four (1) you're brought to life	I'll tell you nothing but truth
Might be left with my hair	If you're not inside me
But you'll have your mother's eyes	I'll put my future in you
I'll (2) your body in my hands	You are my one, and only
I'll be as gentle as I can	And you can wrap your (6) around my
But for now you scan on my unmade plans	thumb
(3) bump in four months you're brought to life	And hold me tight
And I (4) quietly	You'll be alright
I'll give you nothing but truth	And you can lie with me
If you're not inside me	With your tiny feet when you're half asleep
I'll put my future in you	But if you be right in front of me for a couple weeks
You are my one, and only	So I can keep you safe
You can wrap your fingers around my thumb	Because you are my one, and only
And hold me tight	And you can wrap (7) fingers around my thumb
You are my one, and only	And hold me tight
You can (5) your fingers around my thumb	You are my one, and only
And hold me tight	And you can wrap your fingers around my thumb
You'll be alright	And hold me tight
You're just a small bump unknown	You'll be alright
You grow into your skin	Because you're just a small bump (8)
With a smile like hers	But four (9) then torn from life
And a dimple beneath your chin	Maybe you were needed up there
Finger nails the size of a half grain of rice	But were still unaware as why
And eyelids closed to be soon opened wide	
Small bump in four months you'll open your eyes
