

## Fill in the gaps

You're just a small bump unborn	And I (14) you tightly
In four months you're brought to life	I'll (15) you nothing but truth
Might be left (1) my hair	If you're not inside me
But you'll (2) your mother's eyes	I'll put my future in you
I'll (3) your body in my hands	You are my one, and only
I'll be as gentle as I can	And you can (16) (17) fingers aroun
But for now you scan on my (4) plans	my thumb
(5) (6) in four months you're brought	And (18) me tight
to life	You'll be alright
And I whisper quietly	And you can lie with me
I'll give you nothing but truth	With your tiny feet when you're half asleep
If you're not (7) me	But if you be right in front of me for a couple weeks
I'll put my future in you	So I can keep you safe
You are my one, and only	Because you are my one, and only
You can wrap your (8) around my thumb	And you can wrap (19) fingers around my thumb
And hold me tight	And (20) me tight
You are my one, and only	You are my one, and only
You can wrap your fingers around my thumb	And you can (21) your fingers around my thumb
And hold me tight	And (22) me tight
You'll be alright	You'll be alright
You're just a small bump unknown	Because you're just a (23) (24)
You grow into (9) skin	unborn
With a (10) like hers	But four months (25) torn from life
And a dimple beneath your chin	Maybe you were needed up (26)
Finger nails the size of a half grain of rice	But were still unaware as why
And eyelids (11) to be soon opened wide	
Small (12) in four (13) you'll open	
your eyes
