

Fill in the gaps

You're just a small bump unborn	And I hold you tightly
In four months you're brought to life	I'll tell you nothing but truth
(1) be left with my hair	If you're not inside me
But you'll (2) your mother's eyes	I'll put my future in you
I'll hold (3) body in my hands	You are my one, and only
I'll be as gentle as I can	And you can wrap your fingers around my thumb
But for now you (4) on my unmade plans	And hold me tight
Small bump in (5) months you're brought to life	You'll be (20)
And I whisper quietly	And you can lie (21) me
I'll give you (6) but truth	With your (22) feet when you're half asleep
If you're not inside me	But if you be right in front of me for a (23)
I'll put my future in you	weeks
You are my one, and only	So I can keep you safe
You can wrap your (7) around my thumb	Because you are my one, and only
And (8) me tight	And you can wrap your (24) around my
You are my one, and only	thumb
You can (9) your fingers around my thumb	And hold me tight
And (10) me tight	You are my one, and only
You'll be (11)	And you can wrap your fingers (25) my thumb
You're just a small (12) unknown	
You grow into your skin	And hold me tight
With a smile (13) hers	You'll be alright
And a dimple beneath (14) chin	Because you're (26) a small bump
Finger (15) the (16) of a half grain of	(27)
rice	But four months then torn from life
And (17) closed to be (18)	Maybe you were needed up there
opened wide	But were still unaware as why
Small (19) in four months you'll open your eyes
