### Bulletproof Heart by My Chemical Romance

Gravity	We can do it again.
Don't mean too much to me	The papers say,
I'm who I've got to be	"Johnny won't you come back home?"
These pigs are after me,	'Cause everyone knows you don't
After you	Want to (4) up yourself, then tell the truth
Run away,	And God will save you
Like it was yesterday	Gravity
And we could run away	Don't mean too much to me
If we could run away,	I'm who I've got to be
Run away from here	These pigs are after me,
I got a bulletproof heart	After you
You got a hollow point smile	Run away
Me and your runaway scars,	Like it was yesterday
Got a photograph dream on the getaway mile	And we (5) run away,
Let's blow a hole in this town	If we could run away,
Too much talking with the laser blade	Run away from here
Gunnin' out of (1) (2) in a bullet's	And though I know how much you hate this
embrace	Are you gonna be the ones to save us?
Then we'll do it again	From the black and hopeless feeling?
How can they say,	Will you mean it when the end comes reeling?
"Jenny could you come back home?"	Hold (6) heart into this darkness
'Cause everybody (3) you don't	Will it ever be the light to shine you out
Ever wanna come back,	Or fall and leave you stranded
let me be the one to save you	I ain't gonna be the one left standing
Gravity	You ain't gonna be the one left standing
Don't mean too much to me	We ain't (7) be the ones left standing
I'm who I've got to be	Gravity
These pigs are after me,	Don't mean too much to me
After you	Is this our destiny?
Run away	This world is after me,
Like it was yesterday	After you
When we could run away,	Run away
When we could run away,	Like it was yesterday
Run away from here	And we could run away,
I'm shootin' out of this moon	Run away, run away,
Because I sure don't like the company	Run away from here
Stop your preaching right there	Yeah, away (8) here
'Cause I really don't care and I'll do it again	Away from here
So get me out of my head
