Home by Edward Sharpe and The Magnetic Zeros

Alabama, Arkansas	Take me home
I do love my ma and pa	Daddy, I'm coming home
Not the way that I do love you	- Jade
Holy Moley!, me, oh my	- Alexander
You're the apple of my eye	- Do you remember that day you fell out of my window?
Girl I've never loved one like you	- I sure do, you came (5) out after me.
Man, oh man you're my best friend	- Well, you fell on the concrete, nearly broke your ass
I scream it to the nothingness	and you were bleeding all over the place and
There ain't nothing that I need	I rushed you out to the hospital, you (6)
Well, hot and heavy pumpkin pie	that?
Chocolate candy, Jesus Christ	- Yes I do.
Ain't nothing please me more than you	- (7) there's something I never told you about that
Ah, home, let me go home	night.
Home is wherever I'm with you	- What didn't you tell me?
Ah home, let me come home	- While you were sitting in the backseat
Home is wherever I'm (1) you	smoking a cigarette you thought was gonna be your last,
Take me home	I was falling deep, deeply in (8) with you,
Mother, I'm coming home	and I never told you till just now
I'll follow you into the park	Ah home, let me go home
Through the jungle (2) the dark	Home is wherever I'm with you
Girl I never loved one like you	Ah home, let me come home
Moats and boats and waterfalls	Home is where I'm alone with you
Alleyways and pay (3) calls	Home, let me (9) home
I've been everywhere with you	Home is wherever I'm with you
That's true	Ah home, yes I am home
Laugh until we think we'll die	Home is when I'm alone with you
Barefoot on a summer night	Alabama, Arkansas
Never could be sweeter than (4) you	I do (10) my ma and pa
And in the streets you're running free	Moats and boats and waterfalls
Like it's only you and me	Alley ways and pay phone calls
Jeez! you're something to see	Ah home, let me go home
Ah home, let me go home	Home is wherever I'm with you
Home is wherever I'm with you	Ah home, let me come home
Ah home, let me come home	Home is where I'm alone with you
Home is wherever I'm with you
