The only thing I care about by Eels

She had the eyes of someone older		Caught every episode on tv today
She had the (1) of (2)	older	But the only thing I care about got away
I have the eyes (3) wander around		The only thing I care about got away
I couldn't see what really mattered		She had a (7) future
Caught hell from my boss		I have a past
Don't care about my job		I have my memories
Caught a cold from the rain		But they're fading fast
Don't care if I'm cold		Caught hell from my boss
Played every record that I own today		Don't care about my job
But the only thing I care about got away		Caught a cold from the rain
The only (4) I care about got away		Don't care if I'm cold
She was a walking work of art		Played every record that I own today
I am a broken wind-up toy		But the only thing I care about got away
I thought I (5) what really mattered		The (8) thing I care about got away
Got a flat on the road		The only thing I (9) about got away
Don't care (6) my car		The (10) thing I care about got awa
Lost twenty-six bucks		
Don't care about my rent
