## Only When I Sleep by The Corrs

## Fill in the gaps

You're only just a dreamboat	Got me spinning round and round
Sailing in my head	Turning upside-down
You swim my secret oceans	But its only when I sleep
Of coral blue and red	It's only when I sleep
Your smell is incense burning	Up to the sky
Your touch is (1) yet	Where angels fly
It reaches through my skin	I'll never die
And moving from within	Hawaiian High
It clutches at my breast	In bed I lie
But it's only (2) I sleep	No need to cry
See you in my dreams	My sleeping cry
You got me spinning round and round	Hawaiian High
Turning upside-down	It's reaching through my skin
But I (3) hear you breathe	Movin' from within
Somewhere in my sleep	Clutches at my breasts
Got me spinning round and round	But it's only (9) I sleep
Turning upside-down	See you in my dreams
But its only when I sleep	You got me spinning round and round
And (4) I wake (5) slumber	Turning upside-down
Your shadow's disappear	But I only hear you breathe
Your breath is just a sea mist	Somewhere in my sleep
Surrounding my body	Got me spinning round and round
I'm workin' through the daytime	Turning upside-down
But when it's time to rest	But its only when I sleep
I'm lying in my bed	Up to the sky
Listening to my breath	Where angels fly
Falling from the edge	l'II (10) die
But it's (6) (7) I sleep	Hawaiian High
See you in my dreams	In bed I lie
You got me (8) round and round	No need to cry
Turning upside-down	My sleeping cry
But I only hear you breathe	Hawaiian High
Somewhere in my sleep
