Finally found you by Enrique Iglesias

You know I'm gonna get you, yeah	That I finally found, I finally found you
Whatever it takes to get there	I finally found, I finally found you
No, I won't drop you	So can't get love
(1) everybody else does	Too much to ask for, really so tough
Forget about your friends they don't care where we go	Find yourself moving
If (2) do we'll get lost in a crowd of people	With the sex of the drums
I've been looking for you forever	Got my hands full grabbing all these girls girls
Baby we go together baby we go, we go	Hands up hands up
In this crazy world of choices I've only got a few	Dance floor chilling while I hold 2 cups
Either you're coming with me, or I'm coming with you	Can't stop spilling because I'm drunk as **
Because I finally found, I finally found you	And my song comes on and the club goes nuts
You'll (3) have to worry if what I say is true	Every province I go, city I sleep
Girl I've been looking for you	It's best that y'all know
And when I saw you I knew	Running (6) and doing all these shows
That I finally found, I finally found you	Round the (7) globe, I come and you go girl
I'm coming to get you	And you need to think of it
We have a connection, that's right	Just arrive for the night, baby, (8) a bit
This girl I'm not letting go	Whit a place to hit
I'm gonna make you feel right	And (9) pants to zip
Forget about your friends they don't care where we go	Come make this thing a party, are you into it?
If they do we'll get lost in a crowd of people	In this crazy world of choices I've only got a few
I've been looking for you forever	Either you're coming with me, or I'm coming with you
Baby we go together baby we go, we go	Because I finally found, I finally found you
In this crazy (4) of choices I've only got a few	Finally, finally, finally found you
Either you're coming with me, or I'm coming with you	Finally, finally found you
Because I (5) found, I finally found you	Finally found, I (10) found you
You'll never have to worry if what I say is true	You know I'm gonna get you
Girl I've been looking for you	
And when I saw you I knew
