Fill in the gaps

Look, if you had one shot, or one opportunity
To seize everything you ever wanted in one moment
Would you capture it, or just let it slip? Yo
His palms are sweaty, knees weak, arms are heavy
There's vomit on his sweater already, mom's spaghetti
He's nervous, but on the surface he looks calm and
(1)
To drop bombs, but he keeps on forgettin'
What he wrote down, the whole crowd goes so loud
He opens his mouth, but the words won't come out
He's chokin' how, everybody's chokin' now
The clocks runs out, time's up, over. Blow!
Snap back to reality, oh, there goes gravity
Oh, there goes Rabbit, he choked, he's so mad
But he won't give it up that easy, no, he won't beat it
He knows his whole back's to these ropes, it don't matter, he's
dope
He (2) that, but he's broke, he's so stagnant that
he knows
When he goes back to his mobile home, that's when it's
Back to the lab again, yo, this whole rhapsody,
He better go capture this moment and hope it don't pass him
You better lose yourself in the music, the moment
You own it, you better never let it go
You only get one shot, do not miss your chance to blow
This opportunity comes once in a lifetime
You better lose yourself in the music, the moment
You own it, you better never let it go
•
You (3) get one shot, do not miss your chance to blow
This opportunity comes once in a lifetime
The soul's escaping through this hole that is
(4)
This world is mine for the taking, make me king
As we move toward a new world order
A normal life is boring, but superstardom's
Close to post-mortem, it only grows harder,
Only grows hotter, he blows us all over,
These hoes is all on him coast to coast shows,
He's known as the globetrotter (5) roads, god
only
Knows he's grown farther from home he's no father,
He goes home and barely knows his own
(6)
But hold your nose 'cuz here goes the cold water
These hoes don't want him no mo', he's cold product
They moved on to the next schmoe who flows he nose

ppera

Is told and unfolds, I suppose it's old partner
But the beat goes on da da dum da dum da da
