Sailing (1)	behind the sun	That's (7) I need my father's eyes
(2)	for the prince to come	-Look into my father's eyes-
Praying for the healing rain		My father's eyes
To restore my soul again		Then the jagged edge appears
Just a toe rag on the run		Through the (8) clouds of tear
How did I get here?		Now I'm like a bridge that was washed away
What have I done?		My foundations (9) made of clay
When will all my hopes arise?		As my soul slides down to die
How will I know	him	How (10) I lose him?
When I look in my father's eyes?		What did I try?
-Look into my father's eyes-		Bit by bit, I've realized
My father's eyes		That he was here with me
When I (3) in my father's eyes		And I looked into my father's eyes
-Look into my father's eyes-		-Look into my father's eyes-
My father's eyes		My father's eyes
Then the light begins to shine		I looked into my father's eyes
And I hear those ancient lullabies		-Look into my father's eyes-
And as I watch this seedling grow		My father's eyes
Feel my (4)	(5) to overflow	My father's eyes
Where do I find the words to say?		-Look into my father's eyes-
How do I teach him?		My father's eyes
What do we play?		I looked into my father's eyes
Bit by bit, I've realized		-Look into my father's eyes-
That's when I (6) them		My father's eyes
That's when I need my father's eyes		-Look into my father's eyes-
-Look into my fa	ther's eyes-	
My father's eves
