

Fill in the gaps

Sailing down behind the sun	That's when I need my father's eyes
Waiting for the (1) to come	-Look into my father's eyes-
Praying for the (2) rain	My father's eyes
To restore my soul again	Then the jagged edge appears
Just a toe rag on the run	Through the distant (14) of tears
How did I get here?	Now I'm like a bridge (15) was
(3) have I done?	(16) away
When (4) all my (5) arise?	My (17) were made of clay
How will I (6) him	As my (18) down to die
When I (7) in my father's eyes?	How could I (20) him?
-Look into my father's eyes-	(21) did I try?
My father's eyes	Bit by bit, I've realized
When I looked in my father's eyes	That he was (22) with me
-Look (8) my father's eyes-	And I looked into my father's eyes
My father's eyes	-Look into my father's eyes-
Then the light begins to shine	My father's eyes
And I hear those ancient lullabies	I looked into my father's eyes
And as I (9) this seedling grow	-Look (23) my father's eyes-
Feel my heart (10) to overflow	My father's eyes
Where do I find the (11) to say?	My father's eyes
How do I teach him?	-Look into my father's eyes-
What do we play?	My father's eyes
Bit by bit, I've realized	I looked into my father's eyes
That's when I need them	-Look into my father's eyes-
That's (12) I (13) my father's eyes	My father's eyes
-Look into my father's eyes-	-Look into my father's eyes-
My father's eyes
