

Fill in the gaps

Make me (1) again
Open your eyes
Taunted by the shadows of your light
Cold and far away
Like you're not (2) mine
Undo everything and take me higher
Never believing what (3) say
Because I'm counting the days
To meet you on the other side
I will always be waiting
Until the day that I see you on the other side
(4) and take me home
I'm not giving in
I want you back
Holding together by the shards of our past
Stole my heart away
I can't let you go
(5) these chains and let me fly to you
High above the world below
Over and over in my mind

Counting the days	
To meet you on the other side	
I will always be waiting	
Until the day that I see you on the other s	side
Come and take me home	
I am so lost without my place inside your	hear
I won't survive, I need to know you hear i	me
Awaken and release my love	
Counting the days	
To (6) you on the other side	
I (7) always be waiting	
Until the day that I see you on the other s	side
Come and take me	
(8) the days	
To (9) you on the other side	
I will always be waiting	
Until the day that I see you on the other s	side
Come and (10) me home
