

# Fill in the gaps

Make me whole again	Counting the days
Open (1) eyes	To meet you on the other side
Taunted by the (2) of (3) light	I will always be waiting
Cold and far away	Until the day (17) I see you on the other side
(4) you're not even mine	Come and take me home
Undo everything and (5) me higher	I am so lost without my (18) (19)
Never believing (6) (7) say	your heart
Because I'm counting the days	I won't survive, I need to know you hear me
To meet you on the (8) side	Awaken and (20) my love
I will (9) be waiting	Counting the days
Until the day (10) I see you on the other side	To meet you on the (21) side
(11) and (12) me home	I will always be waiting
I'm not giving in	(22) the day that I see you on the other side
I want you back	Come and take me
Holding together by the shards of our past	Counting the days
(13) my heart away	To meet you on the other side
I can't let you go	I will always be waiting
(14) these chains and let me fly to you	Until the day (23) I see you on the other side
High above the world below	(24) and (25) me home
(15) and (16) in my mind
