Your face is all I (1) see on this crowded street	If I die (8) at (9) I left a
Like no one is watching	legacy
You don't care to act a fool with me	If I die tonight at least I left a legacy
You (2) me dance in public	If the lights go out I'm forever in your memory
(3) on my own two feet	If I die tonight at least I left a legacy
Just like a drum	Your face is all I ever see on this crowded street
My heart is jumping like a trampoline	Like no one's watching
Know how to wash away my worries	You don't care to act a fool with me
Like the angry sea	You make me dance in public
Having a good time, living on the edge of my seat	Tripping on my own two feet
It's (4) lava got me sweating	Just like a drum
I can feel the heat	My heart is jumping like a trampoline
The fire's ragging	If I die tonight at least I left a legacy
No (5) what's about to come for me	If I die tonight at least I left a legacy
If I die tonight at least I left a legacy	If the lights go out I'm forever in your memory
If I die tonight at least I left a legacy	If I die tonight at least I left a legacy
If the (6) go out I'm forever in your memory	If I die tonight at least I left a legacy
If I die tonight at least I left a legacy	If I die tonight at (10) I left a legacy
It's true the eyes are the windows of a person's soul	If the lights go out I'm forever in your memory
It's like I'm staring in the mirror when I look at you	If I die tonight at least I left a legacy
I'll (7) the heavens down, if the devil came for you	If I die tonight at least I left a legacy
I'd rather go through hell or high waters, yeah it's true
