## Breath of life by Florence + The machine

| I was looking for a breath of the life | I was looking for a breath of the life       |
|--|--|
| For a little touch of a heavenly light | A little touch of a heavenly light           |
| But all the choirs in my head sang: No | But all the choirs in my head sang: No       |
| To get a (1) of the life again         | It's a harder way and it's come to claim her |
| A little vision of the sun at the end  | And I always say, we should be together      |
| But all the choirs in my head sang: No | I can see the look, because it's (6)         |
| But I needed a one more touch          | ending                                       |
| (2) taste of a heavenly rush           | And if you are gone, I will not belong here  |
| And I believe, I believe it so         | Belong here, belong here                     |
| Who's side am I on?                    | And I started to heart it again              |
| Who's side am I?                       | But this time it wasn't the end              |
| Who's side am I on?                    | And the room is so quiet oh                  |
| Who's side am I?                       | And my heart is a (7) plain                  |
| And the fever began to spread          | For the devil to (8) again                   |
| From my (3) down to my legs            | And the room is too quiet                    |
| But the (4) is so quiet oh             | I was looking for the breath of the life     |
| And although I wasn't (5) my mind      | A little touch of a heavenly ligth           |
| It was a call was so sublime           | But all the (9) in my (10) sang: No          |
| But the room is too quiet oh           |  |
| -I'm leaving-                          |  |
