

Fill in the gaps

Breath of life by Florence + The machine

was (1) for a breath of the life	I was looking for a breath of the life
For a (2) touch of a heavenly light	A little touch of a heavenly light
But all the choirs in my head (3) No	But all the choirs in my head sang: No
To get a dream of the (4) again	It's a harder way and it's (15) to claim her
A little (5) of the sun at the end	And I (16) say, we should be together
But all the choirs in my (6) (7) No	I can see the look, (17) it's
But I needed a one (8) touch	(18) ending
Another taste of a heavenly rush	And if you are gone, I (19) not belong here
And I believe, I (9) it so	Belong here, (20) here
Who's (10) am I on?	And I started to (21) it again
Who's side am I?	But this (22) it wasn't the end
Who's side am I on?	And the room is so (23) oh
Who's (11) am I?	And my heart is a hollow plain
And the (12) began to spread	For the devil to dance again
From my (13) down to my legs	And the room is too quiet
But the moon is so (14) oh	I was looking for the breath of the life
And although I wasn't losing my mind	A little (24) of a (25) ligth
t was a call was so sublime	But all the (26) in my head (27)
But the room is too quiet oh	No
l'm leaving-
