Dogs days are over by Florence + The machine

Happiness, it hurt like a train on a track	Stuck them up drainpipes
Coming towards her, stuck still no turning back	By someone who should know better than that
She hid around corners and she hid under beds	The dog days are over
She (1) it with kisses and from her made she	The dog days are gone
fled	Can't you hear the horses?
With every (2) she sank (3) a	(7) here (8) come
drink	Run fast for your mother and fast for your father
And (4) it away down the kitchen sink	Run for your children for your sisters and the brothers
The dog days are over	Leave all your love and your loving (9) you
The dog days are done	Can't carry it with you if you want to survive
The horses are coming so you better run	The dog days are over
Run fast for your mother run fast for your father	The dog (10) are gone
Run for your children and for your sisters and the brothers	Can't you hear the horses?
Leave all your love and your loving behind you	Because here they come
Can't carry it with you if you want to survive	The dog days are over
The dog days are over	The dog days are gone
The dog days are done	Can't you hear the horses?
Can't you hear the horses?	Because here they come
Because here they come	
And I never (5) anything from you	
Except everything you had	
And what was left (6) that too.	
Happiness, it hurt like a bullet in the mind
