Dogs days are over by Florence + The machine

Happiness, it hurt like a train on a track	Stuck them up drainpipes
Coming towards her, stuck (1) no turning back	By someone who should know better (6) that
She hid around corners and she hid under beds	The dog days are over
She killed it with kisses and from her made she fled	The dog days are gone
With (2) bubble she sank with a drink	Can't you hear the horses?
And washed it away down the kitchen sink	Because here (7) come
The dog days are over	Run fast for your mother and fast for your father
The dog days are done	Run for (8) children for your sisters and the
The horses are coming so you better run	brothers
Run fast for your mother run fast for your father	Leave all your (9) and your loving behind you
Run for (3) children and for your sisters and the	Can't carry it with you if you want to survive
brothers	The dog days are over
Leave all your love and your loving behind you	The dog days are gone
Can't carry it with you if you want to survive	Can't you hear the horses?
The dog (4) are over	Because (10) they come
The dog days are done	The dog days are over
Can't you hear the horses?	The dog days are gone
Because here they come	Can't you hear the horses?
And I never wanted anything from you	Because here they come
Except everything you had	
And what was left after that too.
