And we'll never be afraid again

Fill in the gaps

Spectrum by Florence + The machine

(bis x2)
And when we come back
We'll be dressed in black
And you'll scream our names aloud
And we won't eat and we won't sleep
We'll drag bodies from their graves
So say my name
And every color illuminates
And we are shining
And we'll never be afraid again
Say my name
As every color illuminates
Say my name
And every color illuminates
We are shining
And we'll never be afraid again
(bis x2)
Say my name
We are shining
Say my name
Say my name
And we'll never be afraid again
