

## Fill in the gaps

## Spectrum by Florence + The machine

(1) we (2) (3) here	(bis x2)
We were cold and we were clear	And when we (17) (18)
With no colors on our skin	We'll be dressed in black
We were (4) and paper-thin	And you'll scream our (19) aloud
And when we first came here	And we won't eat and we won't sleep
We were cold and we (5) clear	We'll (20) bodies from (21) graves
With no colors on our skin	So say my name
Till you let the (6) in	And every color illuminates
Say my name	And we are shining
And (7) color illuminates	And we'll never be afraid again
We are shining	Say my name
And we'll never be afraid again	As every color illuminates
(bis x2)	Say my name
And when we come for you	And every (22) illuminates
We dressed up all in blue	We are shining
With the (8) in our arms	And we'll (23) be afraid again
Kiss your eyes and (9) palms	(bis x2)
But (11) it's time to pray -better pray you all-	Say my name
We (12) up all in gray	We are shining
With (13) on our tongues	Say my name
And (14) in our lungs	Say my name
Say my name	And we'll never be (24) again
And every (15) illuminates	
We are shining	
And we'll (16) be afraid again
