## You're Gonna Go Far Kid by The Offspring

Show me how to lie		And now you'll lead the way	
You're getting better all the time		Show the light of day	
And turning all against the one		Nice work you did	
Is an art that's hard to teach		You're gonna go far, kid	
Another clever word		Trust, deceived!	
Sets off an unsuspecting herd			
And as you get back into (1)		With a thousand lies	
A mob jumps to their (2)	-	And a good (5)	_
		Hit 'em right between the eyes	
Now dance, f**ker, dance		Hit 'em right between the eyes	
Man, he never had a chance		When you walk away	
And no one even knew		Nothing more to say	
It was really only you		See the lightning in your eyes	
		See 'em running for their (6)	
And now you steal away			
Take him out today		Now dance, f**ker, dance	
Nice work you did		He never had a chance	
You're gonna go far, kid		And no one even knew	
		It was (7) only you	
With a thousand lies			
And a good disguise		So dance, f**ker, dance	
Hit 'em right (3)	the eyes	I never had a chance	
Hit 'em right between the eyes		It was really only you	
When you walk away			
Nothing more to say		With a thousand lies	
See the lightning in your eyes		And a good disguise	
See 'em running for their lives		Hit 'em right between the eyes	
		Hit 'em right (8)	the eyes
Slowly out of line		When you walk away	
And drifting closer in your sights		Nothing more to say	
So play it out I'm wide awake		See the lightning in your eyes	
It's a scene about me		See 'em running for their lives	
There's (4)	in your way		
And now someone is gonna pay		Clever alibis	
And if you can't get what you want		Lord of the flies	
Well it's all because of me		Hit 'em right between the eyes	
		Hit 'em right between the eyes	
Now dance, f**ker, dance		When you (9) away	
Man, I never had a chance		Nothing more to say	
And no one even knew		See the lightning in your (10)
