

There is no such thing as time

## Fill in the gaps

So you're tired but you're alive	Inside (7) moment, no sun rising
So (1) up your eyes	Wait until I fly
And you can get your (2) when you are dead	-New horizons-
Kill the clock (3) your head	Wait until I fly
Bring your normalcy	-New horizons-
To the edge and watch it drown	When the times keep going wrong
In new horizons, new horizons	And we go right
You said I only had to wait until I die	When the times keep going wrong
And that's no time -no time-	And we go right
How did we come to thinking this was funny	-Wait-
Jeering and laughing at the dying	You said I only had to wait (8) I die
While we're writing a line in you	-New horizons-
-Wait-	There is no such thing as time
You (4) I only had to (5) until I die	Inside this moment, no sun rising
-New horizons-	Wait until I fly
There is no (6) thing as time	-New horizons-
Inside this moment, no sun rising	I need you, now
Wait until I fly	-Wait until I fly-
-New horizons-	-New horizons-
Wait until I fly	-Wait until I fly-
-New horizons-	-New horizons-
Sin with the conquest life	There is no such thing as time
Flies in with a new quest	Inside this moment, no sun rising
Here's a voice for the voiceless	(9) until I fly
And a song for the soulless	When the times (10) going wrong
Life flies in	And we go right
-Wait-	We go right
You said I only had to wait until I die	
-New horizons-
