

Fill in the gaps

The way I tend to be by Frank Turner

Some mornings I pray for evening
For the day to be done
Some summer days I hide away
And wait for rain to come
Because it turns out hell will not be found
Within the (1)_____ below
But in making do and muddling through
When you've nowhere else to go
But then I remember you
And the way you shine like truth in all you do
And if you remembered me
You could save me from the way I tend to be
The way I tend to be
Some days I wake up dazed, my dear
And I don't know where I am
I've been running now so long I'm scared
I've forgotten how to stand
I stand alone in airport bars
And gather thoughts to think
That if all I had was one long road
It could drive a man to drink
But then I remember you
And the way you shine like truth in all you do
And if you remembered me

You could save me from the way I tend to be
Because I've said I love you so many times
That the words kind of die in my mouth
And I (2)_____ it each (3)_____
With (4)_____ beautiful woman
But somehow it never (5)_____ out
But you stood apart in my calloused heart
And you taught me and here's what I learned
That love is about of the changes you make
And not just three small words
And (6)_____ I catch myself
Catching your (7)_____ on someone else
In a crowded space
And it takes me somewhere
I cannot quite place
And then I remember you
And the way you shine (8)_____ truth in all you do
And if you remembered me
You could (9)_____ me from the way I tend to be
The way I tend to be
The way I tend to be
