

Fill in the gaps

Hey ye, hey ye	Something as (17) as rock & roll would
Friends and roman (1) man	(18) us all
Hey ye, hey ye	Now who'd had thought, (19) after all
Punks and skins and (2) man	It was (20) & roll
Hey ye, hey ye	I still believe
My (3) and my brother and	-I still believe-
The time is coming near	In the saints
Come ye, come ye	Yes in (21) Lee and Johnny and all the greats
To sole less corporate circus stops	And I still believe
Come ye, come ye	-I still believe-
To toilet circling touring stops	In the sound
Come ye, come ye	That has the (22) to raise a (23)
To bedrooms, (4) and bunker swots	and tear it down
The sound is ringing clear	And I still believe
Now who'd had thought, that after all	-I still believe-
Something as (5) as rock & roll	In the need
(6) (7) us all	For guitars and drums and (24)
Now who'd of thought, that (8) all	poetry
It is (9) & roll	And I still believe
Hey ye, hey ye	-I still believe-
Now anybody could take this stage	That everyone
Hey ye, hey ye	Can find a song for (25) time they've lost
And (10) miracles for (11) wage	And every time they've won
Hey ye, hey ye	Just (26) folks we're not just
These folk (12) of the modern age	(27) lives
Will hold us all in their arms	We're saving souls
Right here, right now	We're having fun
Elvis brings his children home	And I still believe
Right here, right now	Now who'd had thought that after all
You never had to feel alone	Something as (28) as rock & roll
(13) here, (14) now	(29) save us all
Teenage (15) and grammar phones	Now who'd had thought, that after all
We hold (16) in our hearts	Something so simple, something so small
Now who'd had thought, that after all	Who'd had thought, after all
	It's rock & roll
