

## Fill in the gaps

Hey ye, hey ye	Something as simple as rock & roll (5) save us
Friends and roman country man	all
Hey ye, hey ye	Now who'd had thought, that after all
Punks and skins and journey man	It was rock & roll
Hey ye, hey ye	I still believe
My sisters and my brother and	-I still believe-
The time is (1) near	In the saints
Come ye, come ye	Yes in Jerry Lee and Johnny and all the greats
To sole less corporate circus stops	And I still believe
Come ye, (2) ye	-I still believe-
To toilet circling touring stops	In the sound
Come ye, come ye	(6) has the power to raise a temple and tear it
To bedrooms, bars and bunker swots	down
The sound is ringing clear	And I still believe
Now who'd had thought, that after all	-I still believe-
Something as simple as rock & roll would save us all	In the need
Now who'd of thought, that after all	For guitars and drums and (7) poetry
It is rock & roll	And I still believe
Hey ye, hey ye	-I still believe-
Now anybody could take this stage	That everyone
Hey ye, hey ye	Can find a song for every (8) they've lost
And make miracles for minimum wage	And every time they've won
Hey ye, hey ye	Just remember folks we're not just saving lives
These folk songs of the modern age	We're saving souls
Will (3) us all in their arms	We're (9) fun
Right here, right now	And I still believe
Elvis brings his children home	Now who'd had (10) that after all
Right here, right now	Something as simple as rock & roll would save us all
You never had to feel alone	Now who'd had thought, that after all
Right here, right now	Something so simple, something so small
Teenage kicks and grammar phones	Who'd had thought, after all
We hold (4) in our hearts	It's rock & roll
Now who'd had thought, that after all	

- 1. coming
- 2. come
- 3. hold
- 4. them
- 5. would
- 6. That
- 7. desperate
- 8. time
- 9. having
- 10. thought
