

Fill in the gaps

Twinkle, twinkle, little star star		He couldn't see which way to go
How I (1) (2)	you are	If you didn't twinkle so
Up above the world's so high		No, I don't know
Like a diamond in the sky		What you are
(3) the blazing sun is gone		Twinkle, twinkle, little star
When there's nothing he shines upon		Twinkle, twinkle, little (13)
Then you show (4) little light		How I wonder what you are
And twinkle, twinkle, through the night		Up above the (14) so high
In the dark blue sky		Like a diamond in the sky
You keep		(15) a diamond (bis)
And through my (5)		You (16) (17) (18)
you (6) peek		light -like a diamond-
For you never (7)	(8) eyes	And twinkle, (19) (20)
(9) the sun is in the sky		the night
(10) a (11)	in the dark	Twinkle, twinkle, little star
Thanks you for (12)	tiny spark	How I (21) you are
