

-Could have, could-

## Fill in the gaps

As a child, my mother said to me
Don't be afraid to lead the way you see
And it's only you who knows
Nobody (1) can see
But do I chase (2) into the dark?
In the thousand ways to lead me (3) to start
But you make it easy, you
To be who I want to be
And if the man in white comes over
(4) I know you'll still be there for me
To chase down the wolves (5) us
I keep the memories inside my mind
To show me how to leave the darkness
You will take me home and (6) believe me
-Could have, could-
Take my (7) and lead me out from here
Hunted down, (8) footsteps drawing near
I knew you would come for me

I'm sorry you're in so deep And if the man in white comes over Then I know you'll still be there for me To chase down the wolves around us I keep the memories inside my mind To show me how to leave the darkness You will take me home and then believe me And know I was so scared, I could not see the light I didn't (9)\_\_\_\_\_ to be alone But you just stand there Watch them hold me down I need to know that you're around Know I was so scared, I could not see the light I didn't want to be alone But you just stand there (10)\_\_\_\_\_ them hold me down I need to know that you're around
