

For once there is nothing up my sleeve

## Fill in the gaps

Just some (1) from a (2)
That used to trouble me
I used to run at first sight of the sun
Now I lay (3) waiting for you to wake up
The (4) outside still sounds like it's on fire
You put on new sheets
The white flag of a (5) night
I know we stayed up talking in circles
But I like to think the (6)
Will keep me closer to you
For everyone, I'm out to prove wrong
You keep the light on
The (7) one, you know me better than the truth
So, despite what (8) done
I pray to God that we can move on
Because (9) far you are the best thing
That this life has yet to lose
And, for (10) there is nothing up my sleeve
(11) some scars from a life that used to
(12) me
I used to run at first sight of the sun
Now I lay here waiting for you to wake up
I lay here waiting for you to wake up
So if you gonna leave, if you (13) go
I can't barely sleep (14) you in my arms

I know we got caught up slipping
Through a crowd of people and losers
But you (15) not let (16) take you
(17) don't know you like I do
For once there is (18) up my
(19)
Just (20) scars from a life that used to trouble me
I used to run at first (21) of the sun
Now I lay here waiting for you to wake up
I lay (22) waiting for you to wake up
Do you remember (23) we (24) up
Till the sun strikes through the room?
I used to blame it
On the Queens walking down 7th avenue
It's been years now since we moved
I've gotten (25) with an excuse
You know I try not to speak superlatives
But it's impossible to you
The city outside is nothing but a flicker now
You see your friend at bed, you turn out the lights
I start to think you'll make a beautiful mother
I, I like to (26)
I've everything I want (27) this life
