Never fade by Gabrielle Aplin

Pinning polaroids on a cold (1) wall
Hanging (2) lights on the garden porch
Gravitating to the nearest brawl
We're only young so we'll come back for more
And we'll let lanterns off at midnight
Looking for that (3) view
We don't listen to advice
We're living dreams
Of sweet maroon
Sweet maroon, (4) maroon, sweet maroon
This isn't over till it ends
(5) is the one thing that we want to keep
And when it's done we'll still pretend
Because we're the ones that never sleep
Never sleep, (6) sleep, never sleep
Never sleep, (6) sleep, never sleep Lights are burning (7) in front of us
Lights are burning (7) in front of us
Lights are burning (7) in front of us Our money's been inside (8) dust
Lights are burning (7) in front of us Our money's been inside (8) dust We'll stay awake at night
Lights are burning (7) in front of us Our money's been inside (8) dust We'll stay awake at night We don't wanna waste
Lights are burning (7) in front of us Our money's been inside (8) dust We'll stay awake at night We don't wanna waste A second of our time
Lights are burning (7) in front of us Our money's been inside (8) dust We'll stay awake at night We don't wanna waste A second of our time Of our time, of our time, of our time
Lights are burning (7) in front of us Our money's been inside (8) dust We'll stay awake at night We don't wanna waste A second of our time Of our time, of our time We only lie when asked if we're okay
Lights are burning (7) in front of us Our money's been inside (8) dust We'll stay awake at night We don't wanna waste A second of our time Of our time, of our time, of our time We only lie when asked if we're okay We lock ourselves up
Lights are burning (7) in front of us Our money's been inside (8) dust We'll stay awake at night We don't wanna waste A second of our time Of our time, of our time, of our time We only lie when asked if we're okay We lock ourselves up We only pray
Lights are burning (7) in front of us Our money's been inside (8) dust We'll stay awake at night We don't wanna waste A second of our time Of our time, of our time, of our time We only lie when asked if we're okay We lock ourselves up We only pray That we won't be the (9) silver
