

Fill in the gaps

And I, I blow out a wish in
Made it my mission
To end the conflict
But oh, I blow out a wish in
Hoping you'd listen
Be my accomplice
But oh, relax, it's only (1) fast
Giving way to feelings no one ever stays long
It's over (2) you wake up
So I knew (3) it was in the picture perfect world
We can be more than before
I said it was, I made it stronger
From the beginning my head was spinning
The (4) start, oh, a church
A place to fit in, a new religion
I found your heart
Relax, it's only dreaming fast

Giving way to feelings no one ever stays long
It's over when you (5) up
So I knew that it was in the picture perfect world
We can be (6) than before
Said it was, I made it stronger
Don't get mad
You did your best
And now it's all in the past to stay
So I (7) that it was in the picture perfect world
We can be more (8) before
I said it was, I (9) it stronger
In the picture perfect world
We can be more than before
I said it was, I made it stronger
