Seventeen seconds and I'm over it			But it's alright now
(1) for the disconnect			-Was it really worth it baby?-
Putting on a (2) face			Alright now
Trying not to listen			-Was it (18) a (19) of time?-
To the (3) in the back of my head			Keep on second-guessing
But it's (4) now			Use my memory (20) a weapon
-It's a distant memory baby-			On everything I try
(5) now			Wearing me out
-You know you (6)	(7)	let it go-	-All this-
(8) feelings have a habit of persisting			Hanging around
Even (9) you wouldn't let it show			-It just starts-
Wearing me out			Getting me down
-All this-			-Till I'm just-
Hanging around			Looking for an (21) way out
-lt (10) starts-			Wearing me out
Getting me down			-But it's alright now-
-Till I'm just-			Hanging around
Looking for an easy way out			-Alright now-
Brain (11) from boredom			Getting me down
I'm led to distraction			-But it's (22) now-
Scratching the surface of life			(23) for an (24) way out
(12) really happens			
But it's easy to (13) busy			
(14) you (15) (16)
