

Fill in the gaps

Seventeen seconds and I'm over it	But it's (15) now
(1) for the disconnect	-Was it really worth it baby?-
Putting on a brave face	Alright now
(2) not to listen	-Was it (16) a waste of time?-
To the voices in the (3) of my head	Keep on second-guessing
But it's (4) now	Use my memory (17) a weapon
-It's a distant memory baby-	On (18) I try
(5) now	Wearing me out
-You know you should just let it go-	-All this-
Some feelings (6) a habit of persisting	Hanging around
Even though you wouldn't let it show	-It just starts-
Wearing me out	Getting me down
-All this-	-Till I'm just-
Hanging around	Looking for an (19) way out
-lt (7) starts-	Wearing me out
(8) me down	-But it's (20) now-
-Till I'm just-	Hanging around
Looking for an easy way out	-Alright now-
(9) (10) from boredom	Getting me down
I'm led to distraction	-But it's alright now-
(11) the surface of life	(21) for an easy way out
Nothing really happens	
But it's (12) to keep busy	
When you (13) yourself you're	
(14) right
