Stereo Hearts by Gym Class Heroes

My heart's a stereo	And all I ask is (13) you don't get mad at me
It (1) for you, so listen close	When you have to purchase mad D batteries
Hear my thoughts in every note	(14) every (15)
Make me your radio	your friends make
And (2) me up when you feel low	You never know we (16) and go like on the
This melody was meant for you	interstate
Just sing along to my stereo	I think I finally found a note to make you understand
Gym Class Heroes baby	If you can hit it, (17) along and take me by the
If I was just another dusty record on the shelf	hand
Would you (3) me off and play me (4)	Just keep me (18) inside your head, like your
(5) else?	favorite tune
If I asked you to scratch my back, could you manage that?	You know my heart's a (19) that only plays
Like yeah (6) up, check it Travie, I can	for you
handle that	My heart's a stereo
Furthermore, I apologize for any skipping tracks	It (20) for you, so listen close
It's just the last (7) that played me	Hear my thoughts in every note
Left a couple cracks	Make me your radio
I used to, used to, (8) to, now I'm over that	And turn me up when you feel low
Because holding grudges over love is ancient artifacts	This melody was meant for you
If I could only find a note to make you understand	Just sing along to my stereo
I'd sing it softly in your ear and grab you by the hand	To my stereo
Just keep it stuck inside your head, like your favorite tune	So sing along to my stereo
And now my heart's a stereo that only (9) for	I (21) pray you'll never leave me behind
you	-never leave me-
My heart's a stereo	Because good music can be so hard to find
It beats for you, so listen close	-so (22) to find-
Hear my thoughts in every note	I (23) your head and hold it closer to mine
Make me your radio	Thought love was dead
And turn me up when you feel low	But now you're changing my mind -come on-
This melody was meant for you	My heart's a stereo
Just sing along to my stereo	It beats for you, so listen close
To my stereo	Hear my (24) in every note
So sing along to my stereo	(25) me your radio
Let's go!	Turn me up when you feel low
If I was an old-school (10) pound boombox	This melody was meant for you
-remember them?-	Just sing along to my stereo
Would you hold me on your shoulder wherever you walk	To my stereo
Would you turn my (11) up in front of the	-it's (26) boy Travie, Gym Class
cops	(27) baby-
-turn it up-	So sing along to my stereo
And crank it higher everytime (12) told you to stop
