

Fill in the gaps

You got me (1) in all this mess	When you go in for a hug and your cheeks brush
I guess we can blame it on the rain	Tell me am I crazy
My pain is knowing I can't have you	Or is this (7) than a crush?
I can't have you	Maybe I'm alone in this
Tell me, (2) she look at you the way I do?	But I find peace in solitude knowing
Try and (3) the words you say	If I had but (8) one kiss (9) whole room
And the way you move?	
(4) she get the (5) big rush	Would be glowing
When you go in for a hug and your cheeks brush?	We'd be glowing
Tell me, am I crazy	We'd be glowing
Or is this more than a crush?	Does she, tell me
I catch my breath	Does she (10) at you the way I do
The one you took	Try and understand the words you say
The moment you entered the room	And the way you move
My heart, it breaks at the thought	Does she get the same big rush
Of her holding you	When you go in for a hug and your cheeks brush
(6) she look at you the way I do	Tell me am I crazy
ry and understand the words you say	Or is this more than a crush?
And the way you move	Is this more than a crush?
Does she get the same big rush
