

Fill in the gaps

Don't get mad if I'm laughing
Blame the (1)
for all the 5 am phone calls
I haven't slept a single night in over a month
And not even once
did you start to make sense to me
Well maybe I'm a little bit slow,
or just consistently inconsistent
She said, "Unpredictability's my responsibility, baby."
But you're (2) at the door
where everybody's hanging out
just like they hung out before
You didn't have to do it
but you did it to say
That you didn't have to do it
but you would anyway
To give you something to go on
when I go off back to the middle of nowhere
To give you something to go on
when I go off back to the
middle of nowhere
(3) chewed me up
and then they just spit me out
And I'm not supposed to let it (4) me
But maybe I'm a little bit weak
I let my fragilty take the wheel
She said, "Maybe there's a bit of me

waiting for a bit of you. baby."

But you're waiting at the (5)
where everybody's hanging out
just like (6) hung out before
You didn't have to do it
but you did it to say
That you didn't have to do it
but you would anyway
To give you something to go on
when I go off back to the middle of nowhere
To give you something to go on
when I go off back to the middle of nowhere
But you're waiting at the (7)
where everybody's hanging out
just like they hung out before
You didn't have to do it
but you did it to say
That you didn't have to do it
but you would anyway
To give you something to go on
when I go off back to the middle of nowhere
To give you something to go on
when I go off (8) to the middle of nowhere
To give you something to go on
(9) I go off back to the middle of nowhere
