Make a move by Icon for hire

-Somebody make a move-
-Somebody (1)_____ a move, somebody-

Please somebody make a move
We all know, we all know what's going on
Hey if I had the answers I'd have written them out
So I could tell you what to do and what this thing is about
But all I've ever learned comes second-hand
And I dare not preach what I don't detent
You and I, we share the same disease
Cover up, compromise what we grieve
I've let more than my share of revivals die
This isn't pretty but it's what I am tonight
Because everybody's so scared
We don't wanna go there
We don't wanna make a move
We got all us to live screaming in the dark

While we just play our part
I'll (11)_____ right along
Like I don't know what's going on
Somebody make a move
Somebody make a move
Please (12)_____ make a move
We all know, we all know what's going on

Running with fire I (16)_____ like a liar
Please (17)_____ (18)_____ a move
